### Creative Thinking: Reverse Technology

Activity 1 What are your favorite kinds of technology. When would you NOT use this technology? Why?

Types of Technology	I would not use my . Because...		
Cell Phone	I would not use my cell phone when I am in the shower because the water would break it.	I would not use my cell phone when I am in class because my teacher will take it away.	I would not use my cell phone when taking a test because it would be cheating.

Activity 2 Tell your partner what technology you like. Tell your partner when you would not use your technology. Explain why.
